I am Abu Sime Khan Ohi, a self-driven and creative web developer from Tangail, Bangladesh. I enjoy turning ideas into interactive, responsive, and high-performance web applications. My strengths lie in problem-solving, clean coding, and effective collaboration within a team. I am always eager to adopt new technologies and take on challenging projects that help me grow both personally and professionally.

Skills

- Expertise: HTML5, CSS3, JavaScript (ES6+), React, Next.js, Express.js, Tailwind CSS
- Comfortable: MongoDB, JWT, Firebase Authentication, REST API, React Hooks, Payment Integration (Stripe, SSLcommerz)
- Familiar: Node.js, TypeScript, UI/UX Design, Mongoose
- Tools: Git, GitHub, VS Code, Chrome DevTools, Netlify, Vercel, Figma
- Soft Skills: Communication, Problem-Solving, Collaboration, Creativity
